Get the Lowdown on America's Most Beautiful Bikeway

The Tahoe East Shore Trail is an amazing 3-mile path that connects Incline Village to Sand Harbor State Park, offering amazing views and easy access to beaches and coves. It's perfect for walking, biking, and even pedal-assist e-bikes (just leave the motorized vehicles and scooters at home, if you

please). Bring your leashed pup along for the fun too! Our friend Dale from TNTNV will be at the information booth along the trail to help you with any questions you may have. [Click here](#) to learn more about the trail everyone is raving about!
