## SAND HARBOR LAKE TAHOE NEVADA STATE PARK

### LAKE TAHOE STATE PARKS

Merge adventure and magic in the Nevada and California State Parks. Options from Kings Beach, Sugar Pine, and Emerald Bay (CA) to Sand Harbor and Spooner Lake (NV) offer different views and experiences. Decide on one or, better yet, grab a parking pass to one and use it in additional parks in the same state on the same day. Visit Sand Harbor to enjoy the amazing East Shore views, catch the sunset, or hop on a sleigh ride for some wintertime wonder.

### Tahoe By Night

Cheers to Tahoe nights and firepit lights. Bring on the dark night and starry sky. The fun heats up as the sun goes down with après activities all around. Enjoy live music, activities like trivia, BINGO, line dancing, star gazing, and full moon tours.

The Crystal Bay Club is an epicenter of entertainment and hosts a variety of bands. Put on your dancing shoes and take in some tunes.

Visit [LakeTahoeTravel.com](http://LakeTahoeTravel.com) to learn more about events.

### Get Fired Up

Warm your toes and your spirits while you cozy up at a ski resort's firepit in their village. Many even provide the opportunity for S'more family fun!

### Winter Festivities and Special Events

Get in the holiday spirit with Northern Lights in Incline Village, catch some culture at Tahoe Film Fest, and celebrate winter fun with SnowFest activities along the North Shore. For a full calendar of events: [LakeTahoeTravel.com](http://LakeTahoeTravel.com)

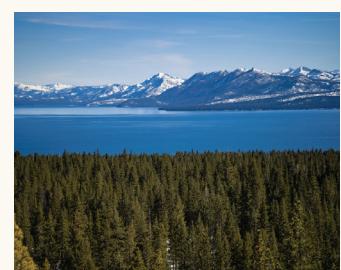

### Be Safe and Smart

#### Road Conditions and Links

When getting around on mountain roads, stay aware of road conditions and plan to be flexible. For the most current information on road conditions, chain requirements, and road closures, visit [NVroads.com](http://NVroads.com) and [roads.dot.ca.gov](http://roads.dot.ca.gov).

#### Parking

Parking on the road is prohibited in most areas for snow removal. Check for "No Parking" signs for your safety and to avoid tickets.

Breathe in the mountain air, enjoy the gorgeous views, and make memories that last long after the snow melts.

### Tahoe Pampering

Relax. Refresh. Recharge. Activate self-care and spoil yourself at local spas, saunas, and salons around the North Shore. Give yourself a reboot with a thrill by taking a polar plunge in the winter waters of Lake Tahoe where the average temperature in winter is 42° F.

#### Spas

- Stillwater Spa
- Everline Resort
- The Ritz-Carlton Spa

And other North Shore spas.

### Transportation

Leave your car behind, don't worry about chains, and be a passenger while keeping cars off the road. Get around Lake Tahoe with ease. Hop on TART Mainline bus or request TART Connect micro transit. Be sure to check schedules, available times, and learn more about the different zones.
